Albemarle-Charlottesville Regional Jail is excited about our new joint venture with The Haven to begin our Reentry Freedom Celebration for ex-offenders who have recently returned to the community. This is a celebration that will provide an opportunity to include all partnering agencies, as well as ex-offenders' families, to show them that we continue to support them both in their accomplishments, as well as in their challenges as they work toward productive citizenship.

This celebration will provide the ex-offenders with an opportunity to come together, support one another, and network with local agencies. The event will be held at The Haven at First & Market every other month beginning September 9, 2010. The Haven is centrally located in Charlottesville, where local agencies can come together to provide support to ex-offenders and celebrate their success.

The celebration will benefit the community by helping ex-offenders be productive citizens in our community thus reducing their potential to become repeat offenders.

If you, or your organization, are interested in providing donations for the Freedom Celebration events, please contact Kaki Dimock at (434) 973-1234.
